RE: Colbert Landfill Trust Fund and Fairchild Air Force Base

Dave
Dear Mr. Powers:

Enclosed, please find a letter from Washington Trust Bank stating that they have received a check from the Department of the Air Force in the amount of \$1,450,000. That money has been deposited into the Colbert Landfill Trust Fund. I thought you would like to know about this Trust Fund deposit.

If you have any questions, please call me at (206) 438-3043. I also need to let you know that I am changing jobs within Ecology's Hazardous Waste Investigations and Cleanup Program in the beginning of April. I will be working at our Southwest Regional Office and will no longer be working on the Colbert Landfill project. I have enjoyed working with you and Bruce Foreman over the past several years. I will still be available if you have questions, as a "historical" resource. Mike Kuntz will be assuming the role as project manager for Colbert landfill. His telephone number is (206) 438-3079. Neil Thompson continues to be the EPA project manager. Take care of yourself, and give my regards to Bruce.

Sincerely,

Mike Blum
